MORNING ROUNDUP:

Governor Ron DeSantis Meets with Israeli Companies and Delivers Keynote Address at the Israel-America Business Summit

Tel Aviv, Israel – Today, Governor Ron DeSantis met with several Israeli companies and delivered the keynote address at the 2019 Israel-America Business Summit hosted by Israel Chambers of Commerce. During the Summit, the Florida Chamber of Commerce, Israel-America Chamber of Commerce and the Federation of Israeli Chambers of Commerce signed a Memorandum of Understanding (MOU) recognizing the strong interest to develop a closer working relationship between Florida and Israel.

Below is an overview of Monday morning's events:

- Governor DeSantis met with the following Israeli companies:
 - **INSIGHTEC**, a leading technological medical device company
 - **Attenti**, which provides innovative solutions for law enforcement and corrections agencies
 - **B.G. Tech**, a service and maintenance company for micro-electronics
- Governor DeSantis delivered the keynote address at the 2019 Israel-America Business Summit, an annual gathering of U.S. and Israeli government officials and leading business executives to discuss the current status of Israeli-American business relationships.
