## Join Enterprise Florida at Vietnam's leading Exhibition on Machine Tools, Automation for Mold & Die, Auto Parts, and Sheet Metals, and Injection Technologies for Plastic and Other Industries!

Vietnam Manufacturing Expo 2017 (VME) will link 200 providers of machinery and technologies from 20 countries with 10,000 industrialists representing industrial parts manufacturing, auto parts, plastics and rubber, mold and die, and many more. This is a special event that combines InterPlas Vietnam, InterMold Vietnam, Automotive Manufacturing Vietnam and Assembly Technology Vietnam. VME is co-located with the Industrial Components & Subcontracting 2017 show.

Vietnam imported close to \$6 billion worth of machinery in 2015, recording +4% annual average growth between 2010 and 2015. At the moment, the U.S. has a limited footprint in Vietnam with only \$204 million came from the U.S.

### Several opportunities exist for Florida companies in the following areas:

**MOLD:** Machine Tools, Precision Measuring, Optical Measuring, Testing Machine and Instrument, Mold Material and Component

**PLASTIC:** CNC Machinery for Plastic Processing, Plastic Injection, Blow Molding, Plastic Film, Thermoforming Plastic Recycling, Granule Cutting Machinery

**SHEET METAL:** Machines for Shearing, Waterjet Cutting, Plasma Cutting, Gas Cutting, Laser Cutting, Punch Press, Bending – Raw Sheet Metal for fabrication & Production, Sheet Metal Accessories

**ASSEMBLY / AUTOMATION:** Assembly & Handling System, Barcode Systems, Safety & Security, Testing & Inspection System, Pumps & Valves, Sensors, Vacuum Technology
